

# TRAINING & PLACEMENT ACTIVITIES

WE EMPOWER OUR STUDENTS WITH A CAREER NOT JUST PLACING THEM BUT MAKING THEM INDUSTRY READY

Our B-School Grads went on an Industrial Visit to TCS, Siruseri on Thursday, October 29, 2009

Vel Tech Dr.RR & Dr.SR Technical University has signed an MoU with Infosys Technologies for academic initiatives. As part of this 236 Engg. & MCA students have registered with Infosys Technologies for aspirations 2020

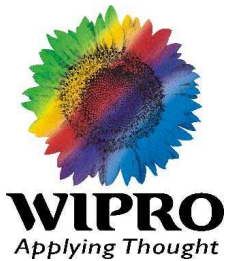

In September'09 Infosys Campus Connect was initiated in our University. Soft Skills training was provided by Infosys to faculty of our University

347 Engg. & MCA students have registered with IBM for TGMC'09

We supported hp with necessary Infrastructure such as Conference rooms, Computer labs with required soft wares to train their 2009 batch fresh recruits from various colleges.

HR lectures our B-School grads on "LEADERSHIP" On Saturday, October 31, 2009

HR lectures our B-School grads on "Recession to Recruitments" On Saturday, November 07, 2009

## OUR ACTIVE TRAINING CELL PREPARES STUDENTS RIGHT FROM THE FIRST YEAR

- Beginning with a bridge course - transition from school to college
- Specialized training on aptitude, life skills & core technical concepts are also given in all semesters
- Modules from industries are included in our regular syllabus to ensure students are industry ready at the time of graduation

TO ENHANCE EMPLOYABILITY OF GRADUATES, THE UNIVERSITY HAS ESTABLISHED A
